NEW ZEALAND SOP Format

A cover letter or statement of purpose that explains why you want to study in New Zealand and provides information about yourself.

It should include:

- › an outline of your study plans
- › an idea of what you want to do once you have finished your study
- › the reasons why you chose this education provider and course
- › details of what education and training you have completed in the past or are currently completing,

including information about any study you have completed online (for example, if you have started

your course online from outside New Zealand)

- › information about what you were doing during any gaps in your recent education or work history

- › details of how you are paying for your study, including:

- a summary of the evidence you are providing with your application and where this money has come from. It must show that this money is genuinely available for you to use while you are in New Zealand

- a payment plan showing how you will pay for your future years if you plan to study in New Zealand for longer than one year.
